Page 1 / Color the Dragon Path

There are 4 cups, two on each side. Nora's idea of two cups on each side used all four cups.

Page 4 / Who Did It?

Ellie: said, "We need a tunnel!" Nora: counted the cups. Max: drew a bridge of little logs. Leo: taped on a paper doorbell. Ms. Rivera: opened the AI chatbot.

Page 5 / Smart AI Choices

YES: 1, 3, 4, 7, 8. NO: 2, 5, 6. This chatbot needed details about the class' dragon and supplies. Good details do not prevent every mistake. Check answers, and keep names, addresses, and passwords private.

Page 6 / A Tiny Helmet

Accept any helmet or path idea. Ask how your child would test the path.
